Special Issue

Sustainability in Regional Development and Tourism

Message from the Guest Editors

This Special Issue discusses relevant knowledge about sustainable strategies applied to regional development and tourism planning. We invite researchers to submit original papers that include theoretical and/or empirical methodologies, state-of-art reviews, case studies addressing the importance of sustainability in regional development and tourism. The Special Issue seeks papers including (but not limited to) the following themes:

- Sustainable tourism;
- Rural tourism sustainability;
- Entrepreneurship and tourism sustainability;
- Sustainable tourism planning;
- Sustainable regional development;
- Regional development:
- Tourism as a tool for regional development;
- Regional tourism networks/partnerships;
- Different planning approaches;
- Regional development-centred models;
- Social, environmental and economic components of tourism sustainability.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief
