

## Special Issue

# Changing the Energy System to Renewable Energy Self-Sufficiency (RESS) - Selected Papers from the RESS Conference, 15-16 September 2011, Freiburg, Germany

### Message from the Guest Editors

This special issue publishes selected papers from the RESS Conference to be held on 15-16 September 2011 in Freiburg, Germany. The candidate papers for the special issue will be selected either by the conference chair and/or by the chairs of the individual sessions of the conference. The RESS Conference has kindly agreed to cover the Article Processing Charges (APC) for all manuscripts.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

---

### Editor-in-Chief

Prof. Dr. Marc A. Rosen
