Special Issue

Changing the Energy System to Renewable Energy Self-Sufficiency (RESS) - Selected Papers from the RESS Conference, 15-16 September 2011, Freiburg, Germany

Message from the Guest Editors

This special issue publishes selected papers from the RESS Conference to be held on 15-16 September 2011 in Freiburg, Germany. The candidate papers for the special issue will be selected either by the conference chair and/or by the chairs of the individual sessions of the conference. The RESS Conference has kindly agreed to cover the Article Processing Charges (APC) for all manuscripts.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
