## Social Considerations of COVID-19: Gendered Impacts Focus

### Message from the Guest Editors

This Special Issue of *Sustainability* covers gendered social issues in the current COVID-19 environment. As the Australian Work Place Gender Equality Agency (WGEA) has identified, different sectors face differential gendered impacts currently and in the future (2020). We invite papers which address topics including (but not limited to):

- COVID-19 policies and gendered impacts,
- Domestic violence policies in the COVID-19 environment,
- Economic opportunities for women in the COVID-19 environment,
- Access to education in the COVID-19 environment,
- Gender balance and equality at workplaces in the COVID-19 environment,
- Working arrangements and gendered impacts,
- Gendered vulnerabilities in the COVID-19 environment.

# About the Journal

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
