

Special Issue

Social Responsibility and Sustainability: Work-Life Challenges

Message from the Guest Editor

This Special Issue seeks to bring together studies from different theoretical perspectives and disciplinary backgrounds and welcomes conceptual and empirical studies using quantitative or qualitative methodologies, mixed-methods and case studies examining policies and practices of socially responsible or sustainable HRM with work-life contents. This Special Issue welcomes contributions addressing the topic from the viewpoint of either the management, the employees, their family members or closed ones potentially affected by sustainable working life policies.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
