

Special Issue

Study on Influencing Factors of Sustainable Crop Production

Message from the Guest Editor

The purpose of this Special Issue is to provide an overview of the research on the variables that influence sustainable crop production. To generate complicate change; plant stress; crop wild relatives; crop modelling; agronomy; genomics; priming; rationing; salinity; transgenics; stability analysis; growth regulator setent guidelines and suggestions for policymakers, more research using standardised surveys and analytic techniques is required. Researchers from across the world are encouraged to share their original research and review papers in this Special Issue, which is titled "Study on Influencing Factors of Sustainable Crop Production." In terms of submission, publishing, and the review process, this Special Issue closely follows the *Sustainability* rules; please study these policies prior to submitting an article to this Special Issue.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
