

Special Issue

Sustainable Food Tourism: Research and Branding

Message from the Guest Editor

The aim of this Special Issue is to explore the role of sustainable food tourism within place marketing, branding and management. Contributions from potential authors that form a link between the complex and multifaceted tourism development processes whilst ensuring their sustainability are welcomed.

Contributions can relate to sustainable tourism policies and their social, cultural, environmental and economic components. Inter- and multidisciplinary research contributions are encouraged. The aim of this Special Issue is to explore the role of sustainability within place marketing, branding and management.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
