

Special Issue

Sustainable Financial and Business Performance: Perspectives for Economic Development

Message from the Guest Editors

The aim of this Special Issue is to discuss sustainable financial and business performance from a sustainable economic development perspective. It will set an agenda for future research and inform policymakers and managers about the opportunities and challenges that arise from sustainable financial and business performance and sustainable economic development. We invite you to contribute to this Special Issue by submitting comprehensive reviews, case studies, or empirical (qualitative and quantitative) articles. Papers selected for this Special Issue are subject to a rigorous peer-review procedure with the aim of a rapid and wide dissemination of research results, developments, and applications.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
