Special Issue

40th Anniversary of 'The Limits to Growth'

Message from the Guest Editors

In 1972, a book entitled "The Limits to Growth" raised awareness of our planet's limited resources and the challenges caused by continuous population growth. On the 40th anniversary of this renowned book, *Sustainability* is dedicating a special issue to this important piece of literature. This special issue aims at revisiting and analyzing the limits to growth of contemporary societies and the current status of resource consumption.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
