

Special Issue

Tourism, Innovation, Heritage, and Sustainability: Global and Local Perspectives

Message from the Guest Editors

We invite researchers to submit original papers that include conceptual, empirical, analytical, or design-oriented methodologies. The Special Issue seeks papers including (but not limited to) the following themes:

- Opportunities and challenges for sustainable tourism;
- Tourism marketing, digital marketing, social media, and brand co-creation;
- Cultural, religious, and gastronomic heritage;
- Smart tourism;
- Tourism innovation practices, planning, and development;
- Contemporary issues and tourism experiences in a post-COVID era;
- Tourism stakeholders behaviors and perceptions;
- Economic, social, and territorial impacts of tourism;
- Adventure, sports, wellness, and health tourism;
- Senior tourism and accessible destinations.

Guest Editors

Prof. Dr. Flávio Gomes Borges Tiago

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
