

## Special Issue

# Selected Papers from "2025 11th International Conference on Computing and Artificial Intelligence (ICCAI 2025)"

### Message from the Guest Editor

The main goal of this Special Issue is to publish high-quality research papers presented at the 2025 11th International Conference on Computing and Artificial Intelligence (ICCAI 2025). The conference will be held in Kyoto, Japan, during March 28–31, 2025. ICCAI 2025 is an international conference devoted specifically to facilitate synergies in research and development in the areas of computing and artificial intelligence. It provides a communication platform for leading experts and scholars in computing and artificial intelligence from around the world. We welcome papers outlining original works in computing and artificial intelligence and related fields.

### Guest Editor

Prof. Dr. Jie Yang

Institute of Image Processing and Pattern Recognition, Shanghai Jiao Tong University, Shanghai 200400, China

### Deadline for manuscript submissions

31 December 2025

## About the Journal

### Message from the Editor-in-Chief

Symmetry is ultimately the most important concept in natural sciences. It is not surprising then that very basic and fundamental research achievements are related to symmetry. For instance, the Nobel Prize in Physics 1979 (Glashow, Salam, Weinberg) was received for a unified symmetry description of electromagnetic and weak interactions, while the Nobel Prize in Physics 2008 (Nambu, Kobayashi, Maskawa) was received for the discovery of the mechanism of spontaneous breaking of symmetry, including CP symmetry. Our journal is named *Symmetry* and it manifests its fundamental role in nature.

### Author Benefits

#### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### High Visibility:

indexed within SCIE (Web of Science), Scopus, CAPlus / SciFinder, Inspec, Astrophysics Data System, and other databases.

#### Journal Rank:

JCR - Q2 (Multidisciplinary Sciences) / CiteScore - Q1 (General Mathematics)
