# Special Issue

# Modern Circuits and Systems Technologies on Communications

## Message from the Guest Editors

The 7th International Conference on Modern Circuit and System Technologies on Electronics and Communications (MOCAST 2018) will take place in Thessaloniki, Greece, 7–9 May, 2018. The MOCAST technical program includes all aspects of communications and network technologies from antenna design, propagation modeling, wireless communications, network systems and applications. This Special Issue aims at publishing extended versions of top-ranked papers in the area of communications from the conference. MOCAST is technically sponsored by IEEE. Potential topics include, but are not limited to, the following:

- Antenna design
- Propagation
- Communications systems
- Wireless communications
- Network systems

Dr. Sotirios Goudos

# About the Journal

## Message from the Editor-in-Chief

Technologies, provides a single focus for reporting on developments of all technologies, regardless of their application. It is our intention that Technologies becomes the journal of choice for both researchers wanting to publish their work and technologists wishing to exploit the high quality research across a wide range of potential applications. Through its open access policy, its quick publication cycle, Technologies will facilitate the rapid uptake and development of the research presented, ultimately providing benefit to the wider society.

### Editor-in-Chief

Prof. Dr. Manoj Gupta

Department of Mechanical Engineering, National University of Singapore, Singapore 117576, Singapore

## **Author Benefits**

### **High Visibility:**

indexed within ESCI (Web of Science), Scopus, Inspec, Ei Compendex, INSPIRE, and other databases.

### Journal Rank:

JCR - Q1 (Engineering, Multidisciplinary) / CiteScore - Q1 (Computer Science (miscellaneous))

### **Rapid Publication:**

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21.8 days after submission; acceptance to publication is undertaken in 3.9 days (median values for papers published in this journal in the first half of 2025).
