

## Special Issue

# MOCAS 2019: Modern Circuits and Systems Technologies on Communications

### Message from the Guest Editors

The 8th International Conference on Modern Circuit and System Technologies on Electronics and Communications (MOCAS 2019) will take place in Thessaloniki, Greece from May 13 to 15, 2019. The MOCAS technical program includes all aspects of communications and network technologies from antenna design, propagation modeling, wireless communications, network systems, and applications. This Special Issue aims at publishing extended versions of top-ranked papers in the area of communications from the conference. MOCAS is technically sponsored by IEEE. Potential topics include but are not limited to the following:

- Antenna design;
- Propagation;
- Communication systems;
- Wireless communications;
- Network systems.

Prof. Sotirios Goudos

## About the Journal

### Message from the Editor-in-Chief

*Technologies*, provides a single focus for reporting on developments of all technologies, regardless of their application. It is our intention that *Technologies* becomes the journal of choice for both researchers wanting to publish their work and technologists wishing to exploit the high quality research across a wide range of potential applications. Through its open access policy, its quick publication cycle, *Technologies* will facilitate the rapid uptake and development of the research presented, ultimately providing benefit to the wider society.

---

### Editor-in-Chief

Prof. Dr. Manoj Gupta

Department of Mechanical Engineering, National University of  
Singapore, Singapore 117576, Singapore

### Author Benefits

#### High Visibility:

indexed within ESCI (Web of Science), Scopus, Inspec, Ei  
Compendex, INSPIRE, and other databases.

#### Journal Rank:

JCR - Q1 (Engineering, Multidisciplinary) / CiteScore - Q1  
(Computer Science (miscellaneous))

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 19.1 days after  
submission; acceptance to publication is undertaken in 3.6  
days (median values for papers published in this journal in  
the second half of 2025).
