

universe

Dear Colleagues,

We are pleased to announce the winners of the *Universe* 2021 Best Paper Awards. All papers published from 2015 to 2020 in *Universe* were considered for the awards. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, the three winning papers, which were nominated by the Editor-in-Chief, have been selected.

2021 BEST PAPER AWARD WINNERS

Article:

Nonsingular Black Holes in $f(R)$ Theories

By: Gonzalo J. Olmo and Diego Rubiera-Garcia
Universe 2015, 1(2), 173-185
