Nobel Prize 2020: Selected Articles on Black Hole and General Relativity

Message from the Collection Editor

On behalf of the Advisory and Editorial Board members of *Universe*, it is a pleasure for me, as the journal's Editor-in-Chief, to announce a Special Issue to celebrate Professor Roger Penrose, who serves on *Universe's* Advisory Board, being jointly awarded the Nobel Prize in Physics 2020 [...] In the footsteps of Professor Penrose, we invite all researchers in this field to contribute their valuable papers to this celebratory Special Issue of *Universe*.

About the Journal

Message from the Editor-in-Chief

The multidisciplinary journal *Universe* is aiming to follow and, hopefully, to lead to the largest extent as possible the ever-self renovating threads which weave mathematical theories with our understanding of the magnificent natural world. On behalf of all the distinguished members of the Advisory and Editorial Boards, I extend my welcome to this journal and look forward to hearing from the interested contributors and learning about their valuable research.
