

# Special Issue

## Solar Energetic Particles

### Message from the Guest Editor

Dear Colleagues. The aim of this Special Issue is to gather contributions and recent developments on the impact of solar energetic particles on space weather, their propagation through interplanetary space, and the existing and/or proposed SPE forecasting models. The issue is intended to provide a platform for scientists all over the world to promote various aspects of solar energetic particle, research introducing breakthroughs in this scientific field.

## About the Journal

### Message from the Editor-in-Chief

The multidisciplinary journal *Universe* is aiming to follow and, hopefully, to lead to the largest extent as possible the ever-self renovating threads which weave mathematical theories with our understanding of the magnificent natural world. On behalf of all the distinguished members of the Advisory and Editorial Boards, I extend my welcome to this journal and look forward to hearing from the interested contributors and learning about their valuable research.

### Author Benefits

#### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), Astrophysics Data System, INSPIRE, CAPlus / SciFinder, Inspec, and other databases.

#### Journal Rank:

JCR - Q2 (Astronomy and Astrophysics) / CiteScore - Q2 (General Physics and Astronomy)
