urban science

Dear Colleagues,

We are pleased to announce the winner of the *Urban Science* 2021 Best Paper Award. All papers published in 2021 in *Urban Science* were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, one winner was selected.

2021 BEST PAPER AWARD
WINNER

Evaluating the Accuracy of Gridded Population Estimates in Slums: A Case Study in Nigeria and Kenya
By Dana R. Thomson, Andrea E. Gaughan, Forrest R. Stevens, Gregory Yetman, Peter Elias and Robert Chen
Urban Sci. **2021**, *5*(2), 48; doi:10.3390/urbansci5020048

The winner will receive CHF 300 and the chance to publish a free paper in *Urban Science* in 2023 after peer review.

Please join us in congratulating the winner of the *Urban Science* 2021 Best Paper Award. We would also like to take this opportunity to thank all of our authors for their continued support of *Urban Science*.
