

Special Issue

Antibodies in Autoimmune, Chronic, and Infectious Diseases: Pathogenic Mechanisms, Biomarkers, and Vaccine Development

Message from the Guest Editors

This Special Issue aims to gather original research articles and comprehensive reviews that explore the roles of antibodies in autoimmune, chronic, and infectious diseases. We especially welcome contributions focused on **antibody mechanisms, engineering, clinical applications, immune evasion strategies by pathogens, and novel approaches to antibody-based vaccine development.**

Keywords:

autoantibodies; monoclonal antibodies;

chronic, infectious, autoimmune diseases;

antibody-based vaccines; immunotherapy;

antibody biomarkers; b cell response; translational immunology

Guest Editors

Dr. Jorge Hernández-Bello

Dr. Mariel García Chagollán

Dr. Francisco Javier Turrubiates Hernández

Deadline for manuscript submissions

30 June 2026

About the Journal

Message from the Editor-in-Chief

Vaccines (ISSN 2076-393X) has had a 6-year history of publishing peer-reviewed state of the art research that advances the knowledge of immunology in human disease protection. Immunotherapeutics, prophylactic vaccines, immunomodulators, adjuvants and the global differences in regulatory affairs are some of the highlights of the research published that have shaped global health. Our open access policy allows all researchers and interested parties to immediately scrutinize the rigorous evidence our publications have to offer. We are proud to present the work and perspectives of many to contribute to future decisions concerning human health.

Editor-in-Chief

Prof. Dr. Ralph A. Tripp

Department of Infectious Diseases, College of Veterinary Medicine,
University of Georgia, Athens, GA 30602-7387, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Medicine, Research and Experimental) /
CiteScore - Q1 (Pharmacology (medical))

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 19.6 days after submission; acceptance to publication is undertaken in 2.8 days (median values for papers published in this journal in the first half of 2025).
