Universitaire Méditerranée  
infections, Marseille, France

Deadline for manuscript  
submissions:

**closed (31 March 2021)**

### Message from the Guest Editor

Particularly welcome are articles that describe:

- The epidemiology of arbovirus infections in different regions of the world
  - arbovirus infections in the Americas (past and present)
  - arbovirus infections in Europe (past and present)
  - arbovirus infections in Africa (past and present)
  - arbovirus infections in Asia (past and present)
  - arbovirus infections in Oceania (past and present)
- Clinical manifestations and complications of arbovirus infections
  - neurological complications
  - materno-fetal complications
- Transmission of arbovirus infections
  - vectorial transmission
  - non-vectorial transmission (blood borne, materno-fetal, sexual)
- Current state of and latest developments in the diagnosis of arbovirus infections
- arboviruses with limited circulation but that have the potential to emerge on a larger scale, such as Mayaro, Ross River, Oropuche, Venezuelan equine, Rift Valley Fever, Usutu, O’Nyong Nyong, and other lesser known viruses.

## Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Viruses* (ISSN 1999-4915). *Viruses* is published in open access format—research articles, reviews and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. As an open access journal, *Viruses* is supported by the authors or their institutes by payment of article processing charges (APC) for accepted papers. We would be pleased to welcome you as one of our authors.

## Author Benefits

**Open Access:** free for readers, with **article processing charges (APC)** paid by authors or their institutions.

**High Visibility:** indexed within **Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Embase, PubAg, and other databases.**

**Journal Rank:** JCR - Q2 (Virology) / CiteScore - Q1 (Virology/Infectious Diseases)
