The 9th Edition of the European Rotavirus Biology Meeting (ERBM-9)

Message from the Guest Editors

We are pleased to welcome you to ERBM-9 (the website of the meeting: <https://www.erbm-valencia2024.com/ERBM2024>), the 9th edition of the European Rotavirus Biology Meeting, in Valencia, Spain. Since 2005, this meeting has provided a forum for the discussion of relevant aspects of rotavirus biology. After a break due to the COVID-19 pandemic, we are happy to announce that the meeting will resume in October 2024. We are particularly excited to hold the meeting live at the Botanic Garden of the University of Valencia in the city of Valencia, Spain, from 2 to 4 October 2024. Symposium participants, as well as all researchers working in the field, are cordially invited to contribute original research papers or reviews to this Special Issue of *Viruses*. All participants submitting to this Special Issue will benefit from a 10% discount on the publication fee per article.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Viruses* (ISSN 1999-4915). *Viruses* is published in open access format—research articles, reviews and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. As an open access journal, *Viruses* is supported by the authors or their institutes by payment of article processing charges (APC) for accepted papers. We would be pleased to welcome you as one of our authors.
