

Special Issue

Zika Virus Infections in Pregnancy and Congenital Zika Syndrome in the Latin American Region

Message from the Guest Editors

The editors of this Special Issue, “*Zika Virus Infections in Pregnancy and Congenital Zika Syndrome in the Latin American Region*”, cordially invite your participation. This topical Issue of *Viruses* welcomes contributions dealing with all aspects of Zika virus infection in pregnancy and infancy, including original research articles, systematic literature reviews, commentaries, case reports, and perspective pieces. Topics include biomedical, laboratory, epidemiological, diagnostic, virological, and anthropological and social science aspects of the topic. Authors from regions endemic for Zika virus are encouraged to participate in this Issue.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Viruses* (ISSN 1999-4915). *Viruses* is published in open access format—research articles, reviews and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. As an open access journal, *Viruses* is supported by the authors or their institutes by payment of article processing charges (APC) for accepted papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Dr. Eric O. Freed

HIV Dynamics and Replication Program, Center for Cancer Research,
National Cancer Institute, Frederick, MD 21702-1201, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Embase, PubAg, and other databases.

Journal Rank:

JCR - Q2 (Virology) / CiteScore - Q1 (Infectious Diseases)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 17.2 days after submission; acceptance to publication is undertaken in 2.7 days (median values for papers published in this journal in the second half of 2025).
