

# water

Dear Colleagues,

We are pleased to announce that the winner of 2017 *Water* Young Investigator Award is **Dr. Gabriele Villarini**.

**Dr. Gabriele Villarini** is an Associate Professor in the Department of Civil and Environmental Engineering at the University of Iowa, and the Associate Director of IIHR-Hydrosience & Engineering. Dr. Villarini's work has been instrumental in changing the way the scientific community uses and validates remote sensing products. He has introduced useful concepts and applications of scaling properties of hydrological fields and examined many aspects of time series of floods and extreme rainfall. Please join us in congratulating Dr. Gabriele Villarini for a well-deserved prize.

# 2017 WATER YOUNG INVESTIGATOR WINNER

As the awardee, Dr. Villarini will receive an honorarium of **2000 CHF**, an offer to publish a paper free of charge without a fixed deadline in *Water*, and an engraved plaque.

We would like to thank all the Award Committee members for their assiduous evaluation of the candidates and all the applicants for submitting their fascinating and diverse range of research topics.

The competition for 2018 *Water* Young Investigator Award will be open from September 2017. Please check <http://www.mdpi.com/journal/water> for more information closer to that date.
