

Special Issue

AOP Processes for Organics Removal in Water and Wastewater

Message from the Guest Editors

This [Special Issue](#) will focus on manuscripts (research papers, reviews, short communications) related to the research and development, policy, implementation, and management of AOP for organics removal in water and wastewater treatment. **Keywords**

- Advanced oxidation process
- Organics removal
- Transformation products
- Toxicity evaluation
- Pre- and post- process
- Water and wastewater treatment
- Cost-Effectiveness analysis
- Policy and management

Guest Editors

Prof. Dr. Jiangyong Hu

Prof. Dr. Say Leong Ong

Prof. Dr. Wenjun Sun

Dr. Weiling Sun

Deadline for manuscript submissions

closed (15 January 2022)

About the Journal

Message from the Editor-in-Chief

In the context of global changes, the sustainable management of water cycles, going from global and regional water cycles to urban, industrial and agricultural water cycles, plays a very important role on the water resources and on their relationships with food, energy, biodiversity, ecosystem functioning and human health. *Water* invites authors to provide innovative original full articles, critical reviews and timely short communications and to propose special issues devoted to new technological and scientific domains and to interdisciplinary approaches of the water cycles. We ensure a critical review process and a quick turnaround between submission and final decision.

Editor-in-Chief

Dr. Jean-Luc PROBST

Centre de Recherche sur la Biodiversité l'Environnement (CRBE) UMR CNRS/UPS/INPT/IRD, Centre National de la Recherche Scientifique (CNRS), University of Toulouse, Campus ENSAT, Auzeville Tolosane, Toulouse, France

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, GEOBASE, GeoRef, PubAg, AGRIS, CAPlus / SciFinder, Inspec, and other databases.

Journal Rank:

JCR - Q2 (Water Resources) / CiteScore - Q1 (Aquatic Science)
